

Theatre Partnership Program - Information

Organizational members of Theatre Nova Scotia who are **incorporated not-for-profits** without charitable status of their own, can participate in its “Theatre Partnership Program”, which allows members to receive financial support for their operations and projects from donors.

As a registered charity, Theatre Nova Scotia (TNS) gratefully accepts donations from individuals, foundations or corporations. Such donations can support Theatre Nova Scotia and its many programs as a whole, or be earmarked for its participating Theatre Partnership members. In these cases TNS accepts charitable donations in partnership with their members participating in their TPP program.

These charitable donations are to be used for operational purposes of the member organization, to achieve our organizations’ shared mission of spreading theatre throughout Nova Scotia!

Donors will then receive charitable tax receipts from Theatre Nova Scotia for their donations.

IMPORTANTLY: In a Charity-Non Charity partnership, a charity (in this case TNS), is fiscally and legally responsible for ensuring the charitable funds are used for their intended purpose.

TNS as the registered charity is responsible for demonstrating two key aspects of our partnership, through clear documentation:

- 1) That the funds were used for their intended charitable activities, and
- 2) That an active relationship exists between our two organizations.

Both of these are important to show, in order to demonstrate how TNS is not merely acting as a “conduit” and transferring funds without oversight or involvement in how they are used.

TNS must be able to demonstrate these two aspects each year, through confirmed annual TPP Transaction and Activity reports, and providing up-to-date Financial Statements as provided by the Member, along with their renewed Theatre Nova Scotia membership each year.

In turn, we ask that you ensure to list Theatre Nova Scotia in your Sponsors/Funders section of all of your promotional materials, and submit examples of these to us with your next application. You can find current Theatre NS logos for use at:
